INSTRUCTIONS TO STUDENTS

ACCEPTANCE: Individuals listed in Enclosure 1 have been accepted for participation in the virtual offering of the Visual Sampling Plan (H-500) Course. This course is scheduled to be presented May 17-21, 2021.

COURSE: This course begins at 9:00 a.m. EDT on Monday, May 17th and ends at 12:00 p.m. EDT on Friday, May 21st.

All course materials will be located on a course website in the NRC's [Collaborative Learning Environment](#) (CLE). Students will be notified when the course materials are posted in the CLE and given instructions on how to access them at that time.

Course lectures will be delivered using MS Teams. Students will need a computer with a dependable internet connection (and preferably Chrome as your browser). Students will also need a speakerphone, a webcam, or a headset with a mic in order to hear and communicate with the instructors. Prior to the course, students will receive an email with a link to the MS Teams meeting.

Further instructions, including course schedule, will be provided via email to selected students.

Specific questions about the virtual course can be sent directly to the NRC's Course Manager, Carmen Dykes (Carmen.Dykes@nrc.gov).
